Message from the Regional Manager

Here we are with less than 90 days to the end of the year. Some of us have been paying attention to our goals for the year and others have not and are now trying to figure out how to end the year plus one in active members, plus one dollar in net assets, and did we do what we said we would for the 2011 - 2012 moose year.

There is still time but we must put our noses to the grindstone and do what we should have been doing the entire year. In the application are we letting our members know about all of the programs (Zero Application Fee, sign 2 and get your dues paid for a year, Leap Year, Mission 4), they are all important? Is there a committee trying to get back the member that has been out for 2 years or more?

In the active member area are we contacting our members weekly to get them to pay their dues as dues expire every month now, not just the traditional quarter? Is the lodge offering what the member is looking for?

These are just a few areas that we need to check and recheck to see if they are all coming along to the way we were hoping.

Moose International continues with the ZERO enrollment fee again from January 1, 2012 thru April 30, 2012. I hope that we all use this to our advantage and ask all of our friends and associates to join. This fee also applies to former members and you can also receive \$4.00 for every former member application until January 30, 2012 to use at catalog sales however you want.

This is a "Mission Possible" as long as we go and "Create Some Interest" for everyone.

Fraternally,
Gary Beck, Regional Manager

MOOSE LEGION NEWS

Moose Legion Honor Month was in January. What a great time to put on an additional push for recognition of the Moose Legionnaires of your lodges.

At the membership meeting ask the Moose Legion Committee Chairman give a short summary of what the Moose Legion has and is doing for the Lodge. They should tell the story of fun and

service and to emphasize that **WE STRIVE TO DO**

Midyear Conference Set for Wausau

From the Wisconsin Deputy Supreme Governor, Rich Eberhardy

Fellow Moose Members have you seen or heard what Moose International has done to help you in signing up new or former members? Well how about NO APPLICATION FEE, and the free dues for you if you still sign up two new members WOW. Here is another item for this leap year how about a chance to win a fee life time membership? Its out there I suggest that you go to Moose Internationals web page or to the WI Moose Association web page4 and get all the details. then go out and CREATE SOME INTEREST in the Moose.

Here is another piece of information for all of you that have children or grandchildren in their junior year of high school. Go to your lodge and ask for a Robert Dale

scholarship application. I am sure that those of you who have children at that age can use the help of this scholarship when your children go off to college.

And another piece to read

Brothers I send you Greetings from your Supreme Governor, Wes Crowder. He is curious if you have done your part in creating some interest in the Moose? There are all kinds of incentives out here from International, your state Association and even at your own lodge to assist you in signing up new or former members to the Moose.

Would you like fee year's dues or maybe a free life membership or perhaps a gas card. Its all there for you to get it is a matter of you doing your part to ask your family members, work associates, neighbors or friends to join with us in support of our children at Mooseheart and our seniors at Moosehaven.

Remembers Wes's goal this year is to be plus one for the Fraternity so let's go out and do our part to make him successful. We have only a little more then 90 days to accomplish all the goals that you, your lodge, the State Association, and Moose International has put forth for this year so lets see what we can do to get it done.

Supreme Governor to visit Wisconsin

In the month of March and April the State of Wisconsin will be blessed with the presence of our Supreme Governor Wes Crowder

and his wife. They will be visiting the Eau Claire Lodge on Saturday March 31, 2012 and the Green Bay Lodge on Sunday April 1, 2012.

As he travels through our state he may just stop at your lodge and say Hello so I suggest that all of our lodges be ready to welcome him. In his travels this year he has visited over 100 lodges so don't think that he will not stop in to see you. If you are in the area of the two lodges that have been selected to have him visit please see if you or your officers could attend his presentation.

Remember I am always ready to come and visit your lodge for a enrollment or introduction of new members to the moose or for a special presentation occasion that your lodge may achieve.
