

A Message from
Richard Eberhardy,
Wisconsin Deputy Supreme Governor

Fellow Moose members,

The Supreme Governor of the Moose, Wes Crowder, has asked what is Wisconsin doing to promote new membership and retention of those that are in the rears? It is his request that all of the associations and lodges be “plus one” in membership by next April 30th. Have you done your part in making your lodge plus one, or your Association plus one?

Let’s show our Supreme Governor that Wisconsin, and your lodge can be plus one by April 30th. That will take ALL of you to take part in retention of those in the arrears and also do what we swore an oath to do and that was to increase our membership. I am asking **ALL of you to sign JUST ONE Member** before next April 30th. Can you do that? I just did so... why can’t you?

Wisconsin Deputy Supreme Governor
