

Message from the Regional Manager

Well I hope all of you enjoyed the holidays, now it is time to get back to work. With the winter months ahead of us most of us will be staying indoors and hopefully enjoying what the lodge has to offer. To say we have a lot of work to do is a understatement. With just 4 months to go we are way behind in active members for most part. Yes there are a couple of lodges, chapters, and moose legions that are ahead of the rest of us but I know we all can get to plus one with a little work.

To start with Moose International has come out with the ZERO enrollment fee again from January 1, 2012 thru April 30, 2012. I hope that we all use this to our advantage and ask all of our friends and associates to join. This fee also applies to former members and you can also receive \$4.00 for every former member application until January 30, 2012 to use at catalog sales however you want.

This is a “Mission Possible” as long as we go and “**C**reate **S**ome **I**nterest” for everyone.

Fraternally,
Gary Beck, Regional Manager
